ALL MARKETS ACCEPT LINK

Link Up Illinois, a program of Experimental Station, was created in 2011 to combat urban and rural food deserts, support local small and mid-size farms, offer lasting health benefits to vulnerable Illinoisans, and advocate for policy change on the state and federal level.

Link Up Illinois provides farmers markets, other direct-to-consumer venues, and food Co-ops across the state with funding to implement Link Match programs for Link recipients

Universal Link Match

For our Link customers' convenience, Link Match is now transferrable across farmers markets! You may earn Link Match at one participating farmers market and spend it at any other participating market in the state.

* = Accepts Link Match

Spend \$1 in Link, earn \$1 in Link Match to buy local fruits and vegetables.

° = Accepts Independent Incentives

Contact market for details.

^ = Accepts WIC + Senior Coupons

To apply for WIC benefits, make an appointment at your local WIC agency.
