To Whom it May Concern,

The Illinois Department of Public Health has adopted ACIP guidance for vaccinations. Phase 1b covers first responders, people over the age of 65, those with underlying conditions, as well as essential workers.

Illinois Executive Order 2020-10 adopted March 20, 2020; Executive Order in Response to Covid-19 outlines essential businesses and operations. Farmers Market are included in the list of essential businesses that sell groceries and medicine.

Farmers market staff and vendors should be considered essential workers and be eligible for vaccination, as supplies allow, in Phase 1B.
